

USAP Excess Baggage Request and NZ High-Value Goods Declaration

The NSF does not authorize RPSC to issue or reimburse excess baggage costs. Participants are responsible for all commercial airline excess baggage costs, which should be covered under their Grant.

We suggest you ship excess baggage via the USAP cargo system. Excess baggage is not for personal items! See the *USAP Participant Guide* for details.

As with any commercial flight, there are overall weight and balance concerns on all Ice flights. *Please complete this form* if you are bringing more than the standard Ice flight baggage allowance, or if you are carrying high value/high tech goods through New Zealand. *All excess baggage requests to/from the Ice, as well as intra-continental flights, must be approved by the NSF.*

Commercial Carrier Baggage Allowances

Review your airline's baggage limitations prior to departure. Depending upon airline policy, you may be required to pay a surcharge for each bag. No airline accepts bags over 70 lbs (32 kg).

If the flight sequence is broken by the passenger (e.g., an overnight layover or non-contiguous flights that require baggage to be re-checked), you will incur additional costs.

Please contact RPSC Travel directly for oversized or overweight items which must be sent through the USAP cargo system.

Ice Flight Baggage Allowances

Total baggage allowance for checked luggage on flights from Christchurch to McMurdo is 150 lbs (68 kg) of personal luggage for ALL participants. Save room for about 5 lbs (2.5 kg) of ECW gear.

Excess Baggage Requests for Ice Flights

Use one line for each piece of excess baggage requested. Attach additional sheets if necessary.

Please check here if you plan to travel through New Zealand with high value/high tech goods, i.e., any piece of equipment worth more than \$10K. These goods require a N.Z. Customs form, which RPSC Travel provides.
