**WINCHES AND WIRE**

Product	Quantity on Hand
<b><i>Hydrographic and Trawl Winches</i></b>	
Winch, Deep-Sea trawl, DUSH-9-11, Max Drum Capacity 10,000 m .680 EM coax/fiber hybrid cable or 10,000m 9/16" 3x19 wire rope	1
Winch, hydrographic, located in Baltic room, DUSH-5, for CTD deployments, Max Drum Capacity 10,000m .322 EM cable	1
Winch, hydrographic, waterfall, DUSH-5-5, Max Drum Capacity 10,000m .322 EM cable or 5/16" wire rope	1
Winch, Trace Metal Clean, COM-10, 3,000 meter capacity, totally non-metallic sheave train	1
<b><i>Mooring Winches</i></b>	
Winch, Gun, for seismic or mooring operations	
Winch, TSE Mooring, for mooring deployment and recovery	1
<b><i>Pot Hauling Gear</i></b>	
Hydraulic Pot Hauler (suitable for pot fishing in 100-300m of water)	0
Crab pot / fish trap 4 strings w/ 4 pots/string	16
Bundle Component: Pot Warp, float and sink line appropriate for fishing depth	
Bundle Component: Hi-Flyer float, one per string	
Bundle Component: Head Gear, A-4 floats	
Bundle Component: USAP Pot Fishing Van, storage and spares	
<b><i>Seismic Winches</i></b>	
Winch, Gun, for seismic operations	1
Winch, Multi-channel streamer, Dynacon, for seismic operations	1
Winch, Single-Channel Streamer	1
<b><i>Utility Winches</i></b>	
Winch, Deck Utility	1
Wire rope or dyneema for Utility Deck Winch	1
